TECHNICAL SKILLS

Programming & Development: Python, JavaScript, C#, .NET MVC, Node.js, HTML/CSS, AWS, AWS Bedrock, Git, GitHub

Data & Analytics: SQL, MySQL, PostgreSQL, Pandas, JSON, Pivot Tables, Tableau, Airtable, Excel

Other Tools: Figma, Jira, Adobe Photoshop, Adobe Illustrator, Salesforce, Zoho CRM

Projects:

- Building Prophecy, a 3-hour RPG in Godot using GDScript (Python) with JSON save states and original pixel art
- Designed, built, and deployed a responsive website for a local therapy practice using HTML, CSS, and JavaScript
- Researched climber pain points and redesigned Mountain Project in Figma, creating an intuitive route-finding prototype

EXPERIENCE

Data Analyst

Aug 2026 – Present

BYU Marriott School of Business Career Center, Provo, UT

- Evaluating 8 student career tools using analytics and interviews to recommend UX improvements for 5+ career directors
- Analyze hiring and placement trends for 1,000+ students in Zoho Analytics and Excel, creating reports for career directors
- Design automated reporting workflows in Handshake Insights, translating career director needs into repeatable data reports

Technology Solutions Intern

Jun 2026 – Aug 2026

Credera, Denver, CO

- Developed 3 of 5 AI agents for a client POC using Python and AWS Bedrock, establishing patterns adopted by the team
- Built full-stack features with JavaScript and Python, visualizing 6 API calls and supporting Workfront MCP integration
- Trained 15+ developers on reusable AI skills, improving code generation, ticket clarification, and development workflows

Career Technology Analyst

Apr 2025 – Jun 2026

Information Systems Career Services, Provo, UT

- Developed and launched a 5-week HTML-based interactive career-readiness course, completed by 300+ students
- Customized AI-powered chatbots to support job searches, cutting staff prep time by 75%
- Bridged student needs and data strategy, creating actionable dashboards and insights using Python, Excel, and Tableau

Lead Silversmith

Oct 2024 – May 2025

The Gem Studio, Provo, UT

- Earned 775% above base pay with guest tips, reflecting top-tier customer experience and instruction quality
- Ranked Top 3 on commissions per session across all locations through authentic upselling and high guest satisfaction
